Collect Gallery produces projects that bring together artists, works and ideas that meet the definition of “contemporary” through curatorial selections and practices at its venues in the Tophane and Juma buildings in Karaköy. It also produces content on an international scale and develops collaborations.

It gives importance to the universal, aesthetic and conceptual integrity of the artists works with, supports their productions and makes them reach large masses.

It supports contemporary art beyond the borders without being tied to a specific place and aims to establish new connections. It aims to contribute and inspire Turkey's contemporary art scene with its uniqueness, scale and different field experiences in exhibition and guides collectors on their art journey with its international and professional team.
